Pursuant to Local Rules 6-1(a) and 7-12, Plaintiff Sierra Club and Defendant United States Environmental Protection Agency ("EPA"), by and through their undersigned counsel, hereby stipulate to extend by 60 days – to March 16, 2007 – EPA's deadline for responding to Plaintiff's Complaint. The parties previously requested one extension of this deadline, which the Court granted on December 8, 2006 (Docket No. 8). Since then, Plaintiff and EPA have made significant progress toward settlement of the issues identified in Plaintiff's Complaint. The requested extension would allow the parties to finalize the settlement and obtain the necessary approvals within EPA and the Department of Justice.

//

1 The parties believe that a second extension of the deadline for EPA to respond to the
2 Complaint will not adversely affect the schedule of this case.
